The medics have put down their thermometers to turn pin-ups for the raunchy shoot — which is bound to send temperatures soaring.

And most of the babes featured in the 100% Real Nurses 2011 calendar leave little to the imagination, stripping down to their underwear.

All of the girls featured are real-life heroes, devoting their time to help others.

And they look set to win an army of new admirers, thanks to this stunning set of
